As a senior leadership team we believe it is important that parents and carers understand what our priorities for school improvement are.

**Last year we had a successful focus on the following priorities:**

Add to our skill-set by engaging with other schools and settings.

Believe that investment in staff training support children's development.

Creatively look to adopt our homework policy.

Diligently support all children to make excellent progress.

Engage with parents to enhance our: playground, early year's outdoor area and communication.

**This year our school improvement plan will include:**

Fantastic phonics across our school.

Great opportunities for staff development that impact on children.

High quality ICT provision so that children develop an understanding of new technology.

Inspiring learning through our new curriculum.

Joy in our environment by enhancing our Early Years provision.

I attach business cards which contain an overview of our school improvement plan for your information.

I wish you a safe and restful holiday. School begins again at 8:55am on **Monday 13<sup>th</sup> April 2014**.

Kind Regards

James Wiltshire
