

Cross Country

Recently our Cross Country Team went to compete in a cross country tournament. They all did very well with exceptional performances from Spike (4th) and Lola A (10th).

Imagine this... (You'll have to as we don't have any photos because the iPad was at cycling!) A large muddy field with 300 or so children; everyone is shouting and boasting about their school.

The girl's race was first, there was a tense start. It was a great race with a lot of encouragement from the boys and generally lots of screaming!

All the girls finished within the top 100!!!

The boys' race, however, was much more of a pack with lots of pushing. It was probably a harder race as there were more boys, plus it was after the girl's so the ground had been churned up to a bog of mud. One boy even managed to lose a shoe!!!

Well done to our Cross Country Team!

Annabelle (Year 6)
