

Cycling – The Finsbury Park Hill Climb

It was a sunny day with a nice, friendly atmosphere. There were five schools at the tournament including us. We went fifth thanks to Mr Summers amazing satnav skills (which he's working on).

The event of the day was a hill climb time trial in which our team had to pedal up a 100m incline.

Hugo went first, Bill went second, Kenza went third but she suffered an unfortunate crash resulting in a grazed knee. Amelia went fourth, Jay fifth, Owen went sixth and Sachin went seventh.

Finally, Tallulah completed the team's first run. In the second round Kenza did a fantastic run, as did Hugo with an amazing push off, Jay was very out of breath but made it to the top with an incredible time. Panting, Tallulah said that when she got to the top of the hill it was much easier because the track levelled off, she also said that when you were at the bottom it was difficult, as you start right at the bottom where it is because the hill is quite steep so you can't change gear.

It was a sunny but windy afternoon but overall we did very well and everyone enjoyed the day.
