

## Summer fair

Everyone had an amazing time, as there is a burger stall and a treasure hunt and much more.

The raffle was fun and the prizes were amazing, the star prizes were an iPod touch and an iPad. As usual James made it very dramatic as he built up the tension for our star prizes, he did talk a lot though!!!

On the cake sale there was a chocolate fountain and marshmallows with strawberries on a stick, at the end we ate all the chocolate that had dried up in it!!!

Yummy yummy sweet tombola what you

have to do is pay your money and pick out a playing card and it had to be a heart and if it was you win a big prize and if it wasn't a heart then you got a little prize.

The massive rabbit hole was so cool

Just look at the slide!!!

When I went down it I was soooo scared but it was fun climbing up the tower!!!

There was also a fancy dress competition. There was Mad Hatters, Alice's, white rabbits, a queen of hearts and Cheshire Cats.

We all made the most of our last summer fair!
