

We are friendly, fun loving, creative school that is very much at the centre of the local community in Muswell Hill.

Our vision statement reflects the ethos of the school:

' All children will experience a joy of learning and discovery in a school community where we respect each other and celebrate diversity.'

Our website has been designed to provide existing and prospective parents with a wealth of information covering every aspect of the school.

As a Senior Leadership Team we are working hard on the various priorities this calendar year which can be viewed on our website.

I hope you find it informative and useful.
