

# OUR WIN OF THE TABLE TENNIS

On the 15<sup>th</sup> of November Maggie, Kandra, Ella and Sophia had the chance to win a table tennis competition and guess That we WON!!!!!!

All sorts of schools were there like Rhodes Avenue, OLM, Coldfall, Coleridge and St Marys and we beat all of them.

There were three tables and there was one in the middle and one on the outside and the inside. We were numbered 1, 2, 3 and 4. Kandra was 1 Sophia was 2 Ella was 3 and Maggie was 4.

Our hardest team was Coleridge because Ella and Maggie lost against their first player, and at the end they announced that OLM came last then Rhodes, St Marys Coleridge and then Kandra screamed “YES WE WON!!!!!!!!!!!!!!” And that was our trip to table tennis victory.

Then we all had our picture with the trophy and medals and Maggie was so lucky because she got to take the trophy home, she got to take it home because she was in year 6 and Ella, Kanda, Sophia where in year 5 . We hoped you liked this report.
