

We arrived at the Tottenham training ground and one of the staff took us down to some changing rooms and we put on our kits. Excitedly we ran up the stairs onto the pitches. Lucas led the warm up and then Graham set an exercise.

The people organizing the tournament called all the teams in and announced the rules. The groups were called out and we were pitches one and two. The other teams in our group were Whittings Hall and 2 other schools. First we played Whittings and we beat them 4 – 2. They had one really good player who scored 2 long shots. In the second game we won 3 – 0. In the third game the score was 4 – 0. Next game we played Whittings hall again as you play every school in your group twice. Again we beat them but this time it was only 1 – 0. Our next game we won 3 – 1 and the next we won 4 – 0.

The Organisers called everyone in and told us who were through. We were playing XXXXXXXXX, who were also from Haringey. They had come second in their group. They went ahead early. It was a fluky goal. But then we pulled it back to 1 – 1. It was so tense. Then Ureil got a tap in and the game finished 2 – 1 to us. We were in the final! We were playing The Orion. Urail got the ball and ran through the whole team. He was through on goal! And he scored! After that Ureil got the ball again and scored another solo goal. Lucas who is captain collected the trophy and we celebrated.
