

Indoor Athletics Tournament on the 11th January 2018

Report by Nico Marti and Freya Bunworth

We went to Heartlands Secondary School with Joseph and Joe for the first round of the Indoor Athletics tournament. Once everyone has been to the toilet and the rules were explained by the organisers, we began with the field events for the girls. The girls participated in the chest push, speed bounce, standing triple jump, standing long jump and standing high jump. Freya was one of the best standing long jumpers with a score of 1.68m and Olivia jumped 46 times in 20 seconds for the speed bounce. The boys did their field events next with Lewis scoring an amazing 1.93m in the long jump.

Then there was the track events. Rhodes Avenue won a lot of the races but Muswell Hill also won a few too and were coming in second most of the time! Some memorable moments include a victory for Mati and Ella S in the 2 x 2 laps and another victory in the 6 lap paarlauf for Mati and Bella.

The top two schools went through to the next round and thankfully Muswell Hill came in second and will go on to the finals to battle it out with 5 other schools to represent Haringey at the London Youth Games.

Congratulations to all children involved!

Boys: Lewis, Daniel, Aron, Luca, Finn, Nico, Alex, Drew, Reilly and George.

Girls: Olivia, Aurelia, Bella, Mati, Ella S, Kandra, Tilly, Evita, Sophia and Freya.
