Dear Parents and Carers

**Re. School Closed: Thursday 1<sup>st</sup> March 2018**

Regrettably, due to the extreme weather conditions, Muswell Hill Primary School will be **closed** today – Thursday 1<sup>st</sup> March.

This decision has been reached because the layer of snow from yesterday has compacted into ice and the site is becoming increasingly treacherous as the weather worsens. The weather forecast predictions for today show no signs of this abating and we have further concerns that the extremely low temperatures will continue to cause problems with the pipework, which occurred yesterday.

We have reached this decision after much careful consideration.

We always endeavour to keep our school open whenever possible. We understand that a school closure is incredibly disruptive to parents and carers but, in this case, there is unfortunately little choice.

We will notify parents and carers as soon as possible as to whether or not we will be able to open the school tomorrow - Friday 2<sup>nd</sup> March. The school website will be updated in the morning and will clearly display whether the school is open or closed. In addition, we will confirm by email.

With many thanks for your understanding in this matter.

Yours sincerely

James Wiltshire
