

Join us for the 12 DAYS OF CHRISTMAS

Dear MHPS families,

It has been great to see so many of you supporting the school by participating in our **12 DAYS OF CHRISTMAS** events. So far, we have launched 6 of the 12 events – you will find updates from two of the events for parents and children in this newsletter. The 7th event, a **Virtual Christmas Market** that lets you shop on-line with local companies, will be launched this weekend. Keep an eye on your inbox for more details on this event!

Between now and Christmas, as well as shopping-related events, there will be more creative and outdoor activities for all the family to get involved in.

We hope that you will enjoy them!

SPONSORED WALK TO LAPLAND

A **MASSIVE** thank you to everyone who has joined us on our **Virtual Walk to Lapland** and to your generous sponsors!

We are off to a great start with a total of **308 km** logged this week. This means that we are currently over the North Sea off the coast of Hull. It is getting chillier here as we make our way to see Santa and his reindeer, so please do remember to keep logging your steps.

A particular Christmassy congratulations go to Gold class who have walked further than any other class, and some warm words of encouragement to Orange and Emerald to get their snow boots on this weekend to get off the starting line.

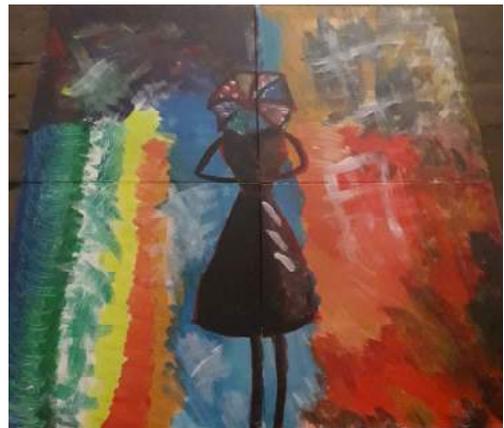

VIRTUAL ART EVENT

On Wednesday night, the first creative event for the **12 DAYS OF CHRISTMAS** took place – a **Virtual Art Evening with Dulcie from Art Unscrewed**. It was great to see so many families from across the school taking part, and amazing to hear that this was the first time some of the parents had picked up a paint brush since school. A fun time was had by all, and as a bonus we raised just over £100. A few of the paintings produced are shown here. Who knew we had so many creative talents in our community! If you joined the event and would like your painting to be part of a collage on our website, Instagram and facebook pages, please send a photograph to the PSA at MHPS.PSA@gmail.com. Thanks to all who took part.

The next creative event is the Children's Workshop on 9 December. Look out for more information shortly.
