Dear Parents and Carers,

We have been notified that with planning permission granted (For full details see Haringey Planning Portal application number HGY/2013/2069) demolition and construction at the site of 56 Muswell Hill will begin very soon. **I attach a map that details the affected area where there will be no access from Monday 26th January.**

The main impacts for parents and carers can be seen below:

- 1) From the end of January 2015 a high construction hoarding will be erected and demolition will begin on the site.
- 2) From 26.1.15 there will be no parking facilities or vehicle access as the Green Man Pub car park will be closed.
- 3) There will be no access to Muswell Hill Primary via Dukes Mews.
- 4) There will be no access to the existing path along the western edge of our school which will be temporarily closed for safety of the public throughout construction but will reopen once development is complete.

It is important to note that **access to MHPS from Dukes Avenue entrance and Muswell Hill entrance is unaffected.**

Any questions about the development or access should be directed to London Borough of Haringey - see planning number above and Haringey Planning Portal <http://haringey.gov.uk/planning-mainpage.htm>

Kind Regards,

James Wiltshire
