

Headteacher & Chair's **Optional** Home Learning Challenge!

November 2015

Each half term the Headteacher and Chair of Governors have decided to put a home learning challenge to the pupils of Muswell Hill Primary School! This challenge is optional. If you would like to get involved please read more below...

Any entries for this challenge must be submitted on Friday 11th December and should be brought to the KS2 hall.

The European Map Challenge –

Give it a go, it would mean the world to us!

Do you know Slovenia from Slovakia and Serbia from Spain? What about Switzerland from Scotland or San Marino from Sweden?

Why not learn where these countries are?

To participate this half term, we challenge you to do one of the following:

Challenge 1 – make a globe of the world in paper mache and learn your European Counties by labelling them.

Challenge 2 – draw a map of Europe and label the countries. Make a fantastic frame for it or design a border.

Challenge 3 – learn all of your European countries by clicking on this link: [HTTP://WWW.ILIKE2LEARN.COM/ILIKE2LEARN/EUROPE.HTML](http://www.ilike2learn.com/ilike2learn/europe.html)

Challenge 4 – why not find another way to demonstrate that you have learnt your European countries? This is an open-ended task, so you can be really creative!
