

Years 5 and 6 entered a gymnastics competition at Horney School for Girls on 5th February against 15 other local schools.

At the start we eat our lunch in the hall and jump on the W7 straight to Crouch End then walk to Hornsey School for Girls.

When we arrive the children change into their leotards or P.E tops. Then they have a small practice and listen to a speech from the Hornsey staff. Then have a pep talk by Riaan while Lucas hogs the skipping rope.

They have a brilliant first piece by Willow which is followed by Joey and the amazing work is kept up with Jack, Maddie, Kenza and Emile. Next they ace the fabulous floor work which includes outstanding acrobatics! Finally there is the moment they've been waiting for the VOLT but these guys make it look easy! At the end the crew settle down and get the ending speech including the results! They announce the individual awards (none of which are one by Muswell Hill) we have low hopes of being high up but then they announce first place is US! Overall we came 3rd out of 16 schools. Exceptional!
