Muswell Hill Primary School
PE and Sport Premium Proposed Spend
2016/2017

Agreed: November 2016

Review Impacts: July 2017

The PE and Sport Premium is designed to help primary schools improve the quality of the physical education, physical activity and sport that they offer their pupils. It has recently been confirmed that funding will be available until 2020.

The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

Muswell Hill Primary School have decided to use the PE and Sport Premium in the ways set out below. We consider that the impacts of the spend below will have a lasting impacts for our pupils in terms of:

- 1) CPD for teaching staff will impact on future teaching and learning.
- 2) Out of school experiences that raise the profile of sports in our school and celebrate achievement.
- 3) Additional 'tutoring' for children with an experienced member of staff who leads PE in our school. For example, through trials or specialist coaching with the PE leader or others.
- 4) Additional resourcing for PE so that children have high quality equipment both in school and out of school.
- 5) Additional opportunities out-of-hours so that children are aware of how to lead a healthy lifestyle in and out of school. This includes both regular exercise and advice about dietary requirements.

Service Provided 2016-2017	Cost and Review Timescale	Evaluation – July 2017
Additional PE subject leader time allocated for organisation of extra activities for physical education advancement beyond the national curriculum inclusive of all administration. This also includes time spent leading trials and practice sessions to train pupils	2.5 hrs per week x 37 x £40 = £3700 Review in March 2017
