

Dylan Zwickler and Adam Filali wrote this piece for us about our visit

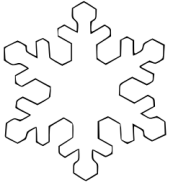

"Standing up on stage is SO exhilarating"

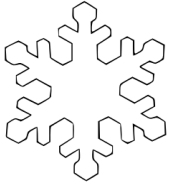

The choir from our school went to the Wigmore Hall to join in singing with other Haringey primary, special and secondary schools.

Our school choir sang "Can't stop the Feeling" by Justin Timberlake and "That's what Christmas means to me" by Laura Parfitt (our choir leader)

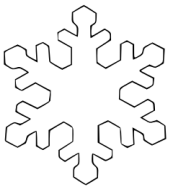

"The lights were so vivid and behind us there was so much detail in the marble on the wall"

We all enjoyed singing and we all sang "What about us?" by Pink and "Lend me your ears" which was written especially for Haringey Schools.

"Just watching ALL the schools sing was like singing it yourself with the schools"  
It was a fantastic day.

Thanks to all who helped take us there and to all the organisers of the show.
