# Proposed Design KS1

Play Spaces Innovation

Safe Routes

Art & Media Spaces

Install New Mile a Day Circuit in Purple

All the other existing markings are to be overmarked

# Overmark

Play Sport Art & Media  
Spaces Innovation

# Overmark

- Overmark / enhance existing alphabet snake (removing snake not recommended due to its size and also tarmac surface)

- Overmark existing court and lining up lines

# Mile a Day Circuit

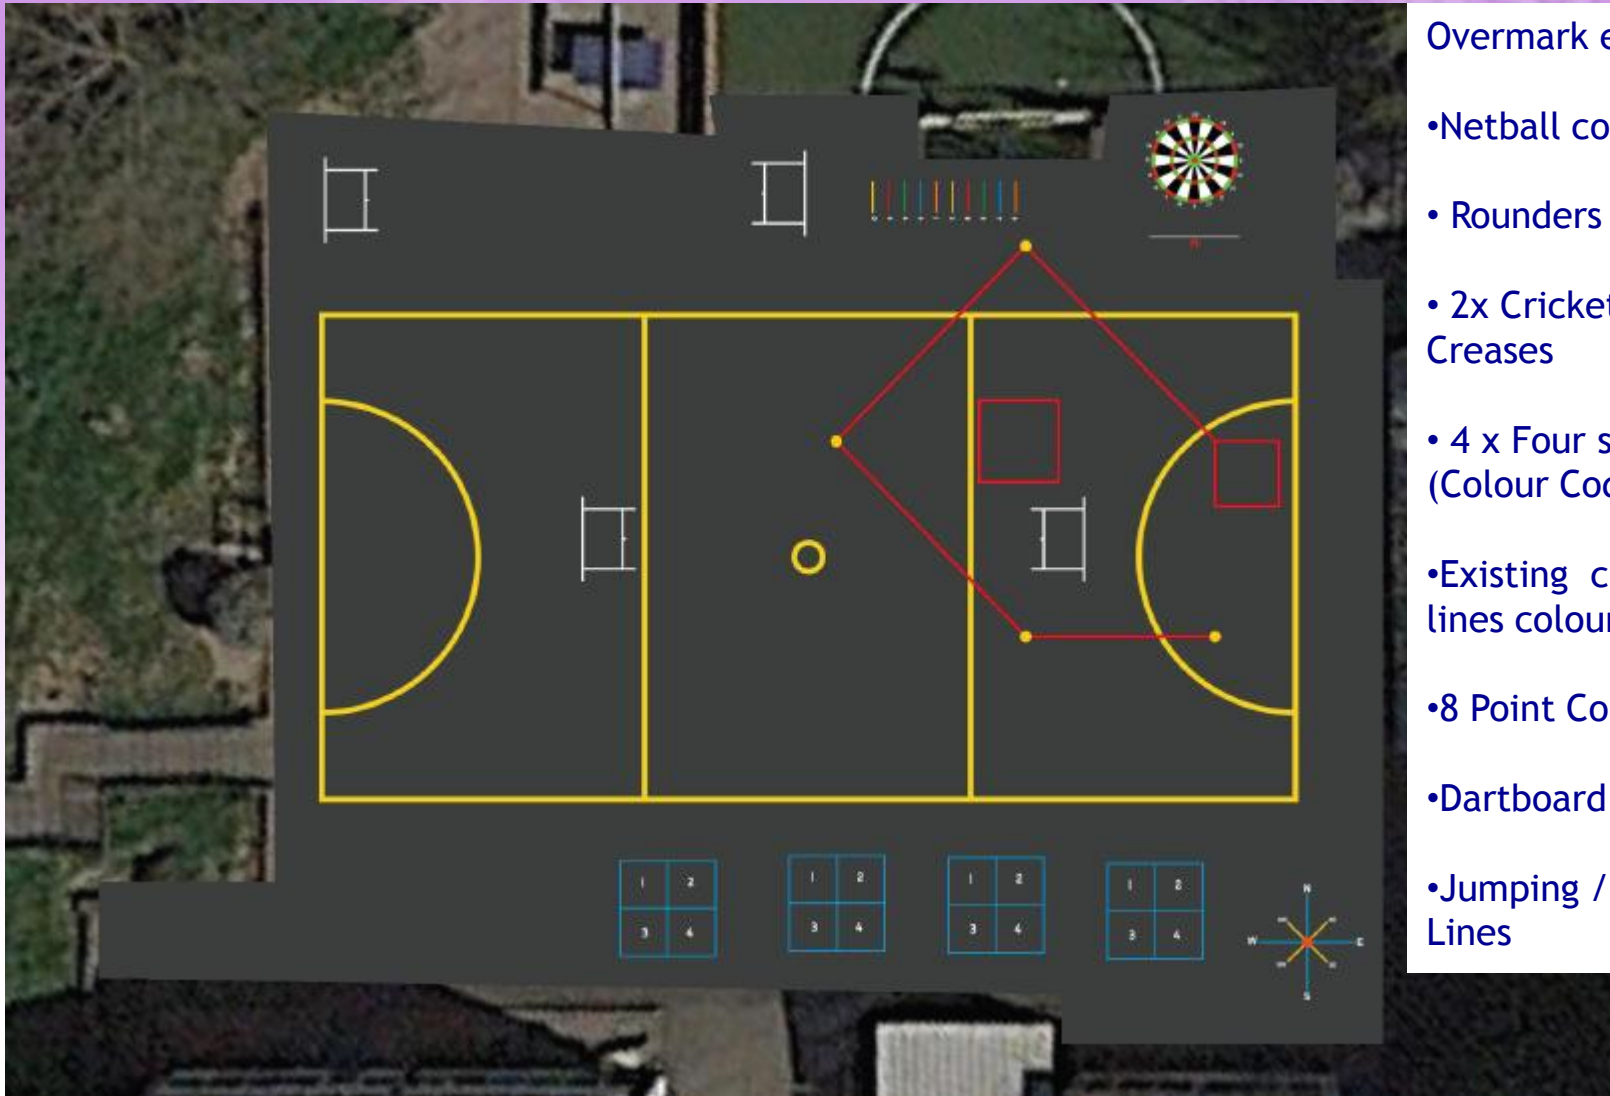

- Measured mile installed onto your playground
- Markers every 20m
- Follow the line running, skipping, walking, jumping etc. 8 times around your playground. On the 9<sup>th</sup> lap finish on blue magical spot to complete your mile

- Adapt the line for outdoor learning, measure / estimate distance, use as a timeline
- Easy to use no setting up or putting away equipment, no need to get changed - run in your uniform

# Proposed Design KS2

Overmark existing:

- Netball court
- Rounders pitch
- 2x Cricket Popping Creases
- 4 x Four square games (Colour Coded)
- Existing class line up lines colour coded
- 8 Point Compass
- Dartboard
- Jumping / Run & Touch Lines
