Dear Mr Wiltshire,

Re: Year 4 trip to the Royal Gunpowder Mills 1st February 2018.

I have been asked by our Education Team here at the Royal Gunpowder Mills to pass on their thanks to all of the students and staff who attended yesterday's 'WWII: Life on the Homefront' programme.

Our teaching staff were very impressed by the students' behaviour, by their enthusiasm to take part in all of the activities and by their knowledge of the era. They are clearly a credit to you and to your school.

Could you please also pass on our thanks to the teaching staff and helpers who attended? They enabled the whole day to run smoothly.

It was a pleasure to host your school yesterday and we genuinely hope to see you all again soon.

Yours sincerely,

Anita Papps
