

## ***Dance Festival Report by Olivia***

*Last Thursday, we went to a dance festival at Highgate school. Rosie and Biba (former members of Muswell Hill Primary School) taught us an amazing routine to be performed. When we got to the festival, we had a workshop with Coby, who was a student in the dance programme at that school and he taught us some tap dance. Finally, we got to perform our dance and watch the other schools perform their routines too. It was so much fun!*
