Dear Parents and Carers,

Thank you for your understanding today regarding our school closure due to the weather and the very low temperatures that we are currently experiencing.

I write to update you regarding the situation for tomorrow, Friday 2nd March 2018.

Our premises team have been working hard today in order that we can open the school tomorrow and we intend to open if we can.

However, as you know, we have experienced significant issues with the pipework over the past few days due to the low temperatures. This affected some of the toilets. Regrettably, if we experience further problems in this area we will be forced to close the school again, regardless of the weather.

We will email and text parents and carers by 7:30am at the latest to let you know the final decision once all tests have been completed.

If the school is able to open our Breakfast Club provision will be provided as usual but we will not be able to run Start Sporty.

Darrell's After School Club will NOT be operating and children will need to be collected by 3.30pm. All other after-school activities will also be cancelled. Whilst we understand that this could be inconvenient we must make sure that all staff are able to get home safely.

If the school is open the Year 5 Sharing Assembly will go ahead as planned.

We will communicate further with you tomorrow morning.

Thank you for your continued understanding.

James Wiltshire
