

Oscar's Optional homework

Muswell Hill Primary School 2018

Forget the Headteacher and Chair of Governor's challenge, this is Oscar's challenge! To celebrate World Book Day, Oscar in Year 4, produced an amazing comic. We are challenging all children from Reception to Year 6 to make a comic. Please read below to understand a little more.

Here are some questions and answers:

Question: What is the comic about?

Oscar says: It must be a little story about kindness. It is a kindness comic!

Question: Do we have to do it?

Oscar says: No! It is optional.

Question: Do we need to plan it?

Oscar says: That's up to you. I planned mine with some pictures and a few lines for the story theme.

Question: If I decide to do it when should I give it in and who do I give it to?

Oscar says: It must be submitted on Monday 16th April. Please pass it to your teacher.

Question: Is there a winner?

Oscar says: No. But they will be shown in assembly, and we'll read the stories in classes and James will put them on the website.

Question: What do I do if I can't draw and write a whole comic like you can, Oscar?

Oscar says: That's fine. Maybe draw a picture about kindness and write about it underneath. That would be great too!

Question: Why is there a spoon and whisk in the background of this flyer?

Oscar says: Because James doesn't know how to remove the image. His computing skills are not up to that very high standard.
