

Golf Tournament.

On Friday 18th May, Riaan and Luke took 10 children Tri-Golf Tournament at Durnsford Park. It was split up into six different games. Our team got high scores on a lot of the games and we came in third place and got a bronze medal! This was even better considering that all our team were year 5s and we were playing against year 6s. Our year 6s were on a trip so they could not go.
