

Monday 4th June 2018

Dear Parents and Carers,

Re. Changing Rooms

Over the past few years we have been improving our school premises.

As you may know, Haringey Council funded a huge project that has seen upgrade works taking place across the school site.

Among other improvements our lighting, heating, plumbing, Wi-Fi and electrical wiring have been part of the project. The infrastructure improvements have been dramatic!

This half term, Haringey completed the final phase of their work by redecorating some of the offices and toilets that were part of the original scope of works. Haringey Council have also improved the flooring in the Key Stage 1 and 2 halls. Please see below for the before and after photographs.

Alongside the Council's work we have been steadily redecorating spaces once any funded work has been completed. Now that the Council have finished we would like to thank them for their support for Muswell Hill Primary School. We simply could not have afforded to make these improvements ourselves.

The next step is to add the finishing touches; the classrooms will now all be fully redecorated. This work begins after we have finished the academic year on **Friday 20th July**. This work will take place across the summer holiday period in order to minimise any disruption.

In order to be prepared for this work, this letter is early warning that the school will be closed to all pupils on **Friday 20th July from 1:30pm**. Year 6 children traditionally leave school at 12pm after the leavers' assembly and this will not change.

This extra few hours will allow staff a little time to remove all displays from the classrooms and make all other preparations needed to facilitate this final step of improvement work.

In the meantime, here are the before and after photographs of the Key Stage 2 hall that have just been completed.
