

Ravishing Rubies and Radiant Reds

Once again Haringey Local Authority decided to use Muswell Hill Primary School as their destination for training Newly Qualified Teachers across the borough. The training was led by Senior Early Years Consultant, Melanie Widnell.

Here are a collection of reflections from the course leader and the participants:

- * “The classrooms had a varied range of opportunities to support children’s learning across the Early Learning Goals. Children all seemed confident and motivated—they were keen to show us what they were learning.”
- * “All of the learning environments support children’s communication and language skills, there were displays to support language development, reading and phonics.”
- * “There is a breadth of evidence within the Special Books to support the children’s learning of the EYFS.”
- * “Lots of creativity and outside challenge.”
- * “Evidence of all areas of learning supported by home learning.”
- * “Really meaningful [Special Books] with lots of links to the Early Years Curriculum.”
- * “Lovely outside area with lots of sensory surfaces and [I]
