**'Home Learner of the half term' assemblies will be held on Friday 2<sup>nd</sup> November.**

## Girls & Boys Football Tournament

29<sup>th</sup> September 2018

**Girls:** 7 games played over the day resulted in the girls qualifying for the semi-finals.

**Boys:** Played 7, won 4, drew 1 and lost 1. They played brilliantly but unfortunately they didn't make the semis. We are very proud of all of them!

## Black History Month

**Each October schools historically celebrate Black History Month UK, where stories are chronicled and retold of seminal achievements and innovative contributions to the social, political and cultural development and wellbeing of the United Kingdom.**

As part of our celebration this year, Lara came up with the great idea for every class to learn a song. To celebrate, we will hold a show and sing session at the end of the month. We will save these as sound files and put them on our website so you can hear each class.

# Y6 School Journey Isle of Wight 2018

## The Children

I am sure many of you will be aware that Y6 were away all last week, learning and playing together and, most importantly, learning a lot about themselves.

I was fortunate to spend two days with them in the glorious sunshine and was filled with admiration. They challenged themselves, tested their resilience and persevered to overcome fears. They worked collaboratively and supported one another, giggling and laughing as they strengthened the bonds that knit them together as they prepare for the transition to secondary school at the end of the year.

## The Podcasts

If you haven't already, why not have a listen to the podcasts recorded over the week. They will give you an insight into the children's experiences and you can hear their joy as they faced the various challenges over the week. I want to thank David for his dedication in creating the podcasts each day and Ben, who uploaded them, to ensure you all had a connection to the children.

## The Staff

I would also like to thank all the staff for their hard work in making this happen for the children. They go the extra mile in ensuring that success, effort and talent are all celebrated equally. The work and organisation behind the scenes is immense and special thanks need to be given to Annette here. Her attention to detail is faultless. It is an exhausting, yet rewarding, trip and I think every teacher and staff member should experience a school journey at least once in their career. There's nothing like it.

## Sport Reports: Muswell Hill Media Teams

2<sup>nd</sup> October 2018

**Event: Cross Country** written by Eloise Bisset

This was a nerve-racking event but we all tried our best and faced our fears of long distance running. There were roughly 170 girls and 200 boys. During the race we all pushed ourselves to our limits and pushed through it to do a sprint finish at the end.

We came to the competition worried about what we would be facing, but when it was over we knew we had done brilliantly. We all placed well. Natasha 29<sup>th</sup>, Lili 65<sup>th</sup>, Eloise 70<sup>th</sup>, Martha 103<sup>rd</sup> Brenna 126<sup>th</sup>, Calum 171<sup>st</sup>, Balthazar 160<sup>th</sup> and Henry 183<sup>rd</sup>.

**Football Tournament: A few highlights**

**Boys Game 2** by William

Muswell Hill vs Bounds Green

A lovely save by Brodie in the early part of the match. Thomas whips in the ball from the corner goal off the keeper!

Another clutch save by Brodie keeping us ahead. Thrown in... but can't score from it Rufus!  
End game: 1 – 0

**Girls Game 5 v Harris** by Lucia, Sophie and Hannah

Doing great, it was 2-0 passing well. Martha scored both of them - one was a nutmeg. Lilly took a penalty and missed. It rebounded into the goal but the whistle had already gone so it didn't count.
