Dear Parents and Carers

Thank you for making the adjustments with regard to after-school clubs work smoothly and for your swift exit at pick up yesterday.

To up-date you from last night. Testing in the KS2 area commenced and will continue tonight. They are hoping to get this done before Friday's predicted rain. We have been informed that the land needs to be as dry as possible to conduct effective assessments so they plan to return next Tuesday to start Phase 2.

Please do not be alarmed that further fencing will go up overnight around the Year 6 sidings and the grassed area around the steps into the KS2 playground. Following the site meeting yesterday evening they informed us that they would also like these areas be fenced off to allow them to be grid referenced and tested over the next couple of weeks.

Haringey will have a comprehensive time line of dates for testing by the end of the week and I will share this as soon as I am in a position to do so. Annette will send an email later with details of any alternative arrangements for after-school clubs next week.

Thank you all for your on-going understanding and support.

Mandi
