Dear Parents/Carers

I'm writing to keep you up to date with our progress on the outdoor areas at school. The specialist report is now in the final stages and we expect to be able to share the findings with you soon, as well as setting out any recommendations on the steps we may need to take.

I will write to you again when the report is ready. I would also like to let you know that, as promised, a parents/carers meeting will take place during the week beginning Monday 15th July, when representatives from the school and the council will be available to answer any questions you may have. I'll let you know the exact date and time as soon as it's finalised.

As always, I will share any information with you as frequently and as quickly as possible.

Thank you all, once again, for your continued patience, support and understanding in this matter.

Kind regards,

Mandi
