

Dear Parents/Carers

RECEPTION CLASSES – SEPTEMBER 2021

Thank you so much for bearing with us whilst we worked out how we could share our school with you.

As we were not able to invite you to our school tours this year, we have put together a package of PDFs and videos to provide you with a remote induction of sorts. Please follow the links below:

Overview and introduction by Mandi the headteacher

This was shared in September 20 with our new Reception children and families

Information about the curriculum and how the EYFS runs

<https://bit.ly/MHPSReceptionInduction>

This year, our Reception children had a slightly different induction into Muswell Hill Primary School. It worked brilliantly and had an amazing, calming effect on the children.

All Reception children attended one day each in the first week of school. The children came in groups of six, which gave us a chance to really get to know them and for them to familiarise themselves with the setting.

The following week they attended for the week, staying 9:00am to 1:00pm, including lunch. Children who were ready to, then started full time the following week.

If you would like to know more about the school and other year groups, please see a few links below to give you a flavour of the Autumn Term across the school.

<https://youtu.be/hH68etT3Nsl> - Year 3 video

<https://youtu.be/EXQoVwEwGi4> - Year 6 video

I am so sorry not to be able to meet you in person, but hope we might be able to meet you and your child in September 21.

Best wishes and a warm welcome,
Mandi
